TECHNICAL SPECIFICATIONS :

Library Size: 7.4GB
Number of Files: 1165
File Format: High Quality WAV
Sample Rate: 24 Bit / 96kHz

Cinertools proudly presents "Overtonics"; featuring 1150 high-definition cinematic trailer SFX including all the core elements such as intense atmospheres, energetic and imposing hits, boomers, explosions, epic rises, disturbing stingers, hyper-detailed sound effects, captivating downers, dynamic and heavy transitions, various type of whooshes and beyond you never heard before to give your trailers maximum impact with modern touch and take your compositions to the next level!

This exceptional library has a wide range of inspiring and flexible elements and brings you high-quality Blockbuster trailer style SFX and all are ready to use - so you can inject them to your existing project as they are to fill the missing parts in or mix them with other elements to achieve totally unique and different sounds. All the sounds in this library are perfectly categorized and labeled to make it easy for you to find them.

In detail expect to find +7.4GB of Designed sounds including 1165 ready-to-use cinematic SFX - consist of; 36 Atmospheres, 101 Booms, 68 DoubleTaps, 60 Downers & SubFalls, 122 Explosions, 55 Heavy Transitions, 116 JustHits, 48 Pass-bys, 58 Rises, 51 Stingers, 69 StutterHits, 50 Suckbacks, 140 Whoosh & Hit, 48 Whooshbangs, 92 Whooshes and 51 WhooshToHit. All of the samples have been pre-cleared and are 100% original & royalty-free for your use without any additional licensing fees. Every sound was meticulously recorded at 24bit / 192kHz, designed and delivered in industry-standard 24bit / 96kHz to ensure the highest quality for today's cinematic production needs and keeping a top notch level of clarity while editing and pitching. Take a look at behind the scenes video to learn more about how these sounds were recorded also what we used as a source for making this library.

"Overtonics" includes all the necessary sounds you need to create epic and cinematic trailers from scratch! All is right here and ready to fill all the gaps in your production with these distant extraordinary sounds! Each sound comes in different variations to avoid to use same sound over and over in your project. All sounds are effective individually, also they can perfectly work together in a sequence even more powerful when combined. Don't be afraid to experiment to reach impressive sounds, the options are endless!! So just grab one of your favorite sounds and mix it up any variations then finish your project in lightening speed with us!

"Overtonics" brings you highly flexible sound effects for any kind of trailer projects, movie, game or advertising. Suitable for variety of style from science-fiction to mystery, action to fantasy, horror to thriller, adventure to war and perfectly fits any mood you want to add. Also be well suited in many other situations where film standard sound is required.

If you're seeking a library full of modern trailer sounds make sure you consider this pack!

LICENSE AGREEMENT

By downloading the library you accept the following license agreement:

LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee **MAY NOT** use the Sounds in isolation as sound effects (i.e. a sequence of musical events) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.

Licenses cannot be transferred or sold to another entity, without written consent of Cinetools.

By purchasing this product you agreed all the terms, conditions and limitations of use contained in this agreement.

THANK YOU!

Thank you for enjoying Overtonics; featuring 1150 high-definition cinematic trailer SFX including all the core elements such as intense atmospheres, energetic and imposing hits, boomers, explosions, epic rises, disturbing stingers, hyper-detailed sound effects, captivating downers, dynamic and heavy transitions, various type of whooshes and beyond you never heard before to give your trailers maximum impact with modern touch and take your compositions to the next level!

If you have any questions or need anything at all, just let us know. We're always happy to hear from you..
