# WATER FLOW

▶ NATURE AMBIENCES

We are proudly presents the second volume of "Nature Ambiences" series, this time it's all about WATER! "Water Flow" features a variety of water sounds recorded in nature as it happens - contains various resources such as brooks, creeks, rivers, streams, rivulets, streamlet and waterfalls... Let the soothing water sounds of this collection, relax and calm you.

This collection includes everything from small rivers running through a forest to gentle streaming, churning brooks to rolling creeks, rapid flowing large rivers to rushing rivulets, raging small streams to splashy streamlets, dense & powerful waterfalls to shooting tributary, fast flowing brooks to rippling lakes. Each sounds features a multitude of characteristics such as roaring, sparkling, bubbling, gurgling, humming, dribbling and many other forms.. Recorded with Rode NT4, Rode NTG-8, Audio Technica BP4025, Sound Devices MixPre-10T, Zoom F8, Tascam DR-44WL and captured in different microphone perspectives and contains a variety of distance recording points for getting sound at close, moderate, distant etc.. you are free to use them depending on your needs.

In detail you get 100 Water sounds ready for use and all of the samples have been pre-cleared and are 100% original & royalty-free for your use without any additional licensing fees and comes with an incredible sample rate of 192kHz/24bit to give you the best quality for extreme pitch-shifting and FX processing while keeping a top notch level of clarity and precision.

"Water Flow" is suitable for any production like documentary, movie, trailer, game, soothing background music, advertising or any kind of cinematic projects requiring high-quality Water recordings.. All these sounds can be used as deep meditation and calming music, relaxation and soothing music, yoga lessons or as music for stress relief. Also ideal complement for producers and composers working in the genres of ambient, downtempo, new age, electronica and experimental..

There is nothing more soothing and relaxing as the sound of running water..

Some photos from our recording sessions!

## LICENSE AGREEMENT

By downloading the library you accept the following license agreement:

### LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

This license expressly forbids usage of Cinetools products (in particular samples, loops, cues) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

In addition, "naked" or "isolated" samples, loops, cues are not to be sold or distributed as individually licensable "stripes", "work parts" or "elements" and cannot be used to create tracks for Library Music.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

### RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

### REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

### TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.

Licenses cannot be transferred or sold to another entity, without written consent of Cinetools.

By purchasing this product you agreed all the terms, conditions and limitations of use contained in this agreement.
